

Dear Brothers and Sisters,

In Genesis 1:27-28 it is written: *“God created mankind in his image; in the image of God he created them; male and female he created them. God blessed them and God said to them: Be fertile and multiply; fill the earth and subdue it.”*

“Male and female he created them” - this means that marriage is only between a man and a woman.

“Be fertile and multiply” - cherish life, especially the life in the womb.

“Fill the earth and subdue it” - be free to utilize the resources God has given us, through our talents.

This is God’s plan for us, this is His will.

Dear brothers and sisters, the year 2016 is an election year. The U.S.A. is a Constitutional Republic, where citizens govern the country through elected representatives. It is our duty and responsibility, as soldiers of Christ to support, promote and elect representatives with strong Christian values, and vote against pro-choice, same-sex marriage and big government candidates.

Not everyone who says to Me, “Lord, Lord!” will enter the kingdom of heaven, but only the one who does the will of My Father in heaven.

Matthew 7:21
